Congratulations to our 2018 cohort, who have continued our tradition of academic excellence. The effort that the 2018 cohort have put in has allowed us to gain an outstanding Progress 8 score, demonstrating the strong progress made by St Crispin's students compared to the National Average. Our Attainment 8 score of 53.1 confirms St Crispin's place as a top educational establishment.

I am particularly proud of candidates on our Gifted & Talented programme, who despite taking GCSE examinations up to 4 years early, enjoyed success with straight A* grades.
